(SBU) MFA Office of Security Affairs and MFA Office of Central and East African Affairs have been informed of the U.S. proposal to make doing a joint demarche in Asmara per reftel regarding non-enforcement of the UN travel ban. Although they are not in a position to say immediately whether France would participate, they understand the urgency. They request clarification on modalities such as the level of participation to be suggested on the U.S. and French side, the intended recipient of the demarche and the format of the demarche.
